

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Health Sciences High

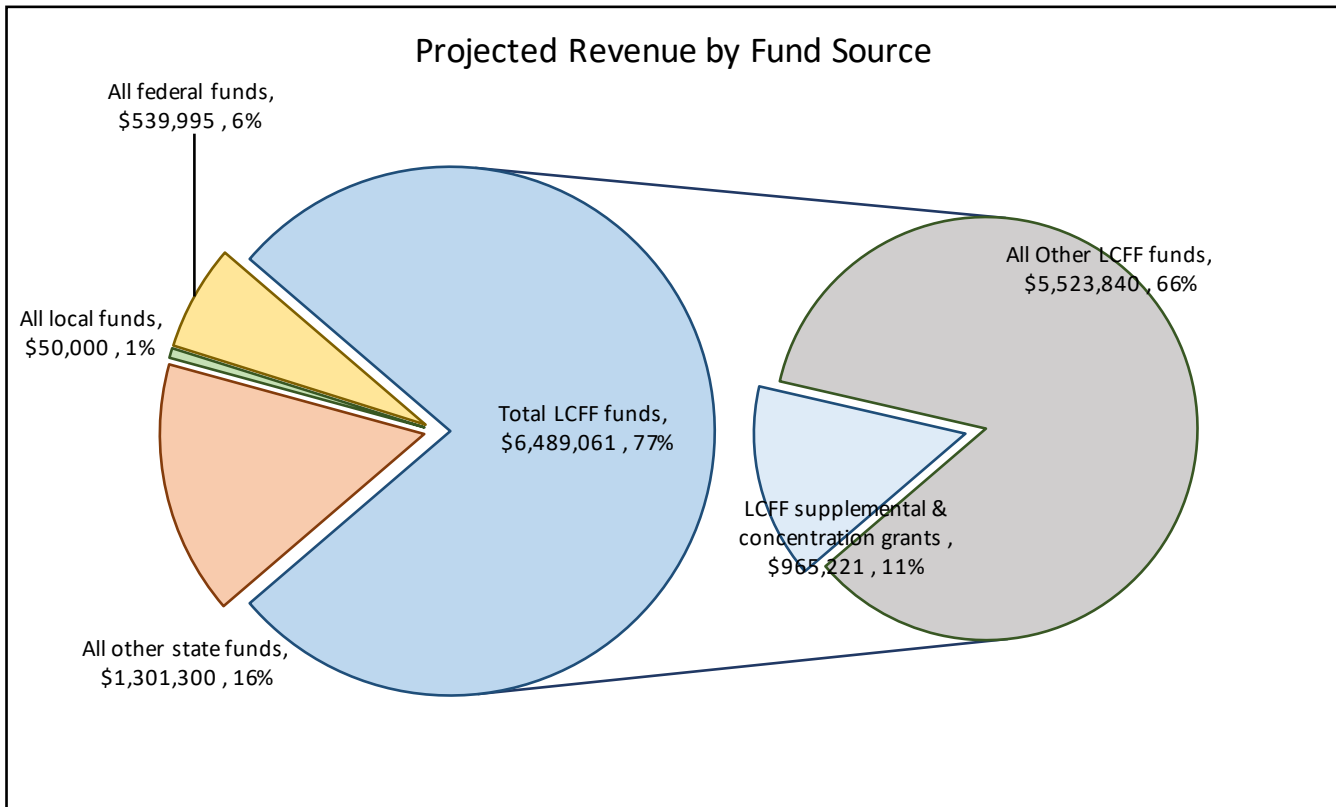

CDS Code: 37-683380114462

Local Control and Accountability Plan (LCAP) Year: 2019-20

LEA contact information: Julie Kroener

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2019-20 LCAP Year

This chart shows the total general purpose revenue Health Sciences High expects to receive in the coming year from all sources.

The total revenue projected for Health Sciences High is \$8,380,356.00, of which \$6,489,061.00 is Local Control Funding Formula (LCFF), \$1,301,300.00 is other state funds, \$50,000.00 is local funds, and \$539,995.00 is federal funds. Of the \$6,489,061.00 in LCFF Funds, \$965,221.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school district must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

LCFF Budget Overview for Parents

This chart provides a quick summary of how much Health Sciences High plans to spend for 2019-20. It shows how much of the total is tied to planned actions and services in the LCAP.

Health Sciences High plans to spend \$7,843,997.00 for the 2019-20 school year. Of that amount, \$965,221.00 is tied to actions/services in the LCAP and \$6,878,776.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Increased or Improved Services for High Needs Students in 2019-20

In 2019-20, Health Sciences High is projecting it will receive \$965,221.00 based on the enrollment of foster youth, English learner, and low-income students. Health Sciences High must demonstrate the planned actions and services will increase or improve services for high needs students compared to the services all students receive in proportion to the increased funding it receives for high needs students. In the LCAP, Health Sciences High plans to spend \$965,221.00 on actions to meet this requirement.
